The proposal includes an increase in the number of dwellings on part of the site from 81 units to 111 units.

Thank you for your internet representation made on 15th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32198

This application seems to be an increasingly common tactic by developers, to "top-up" an application, by hoping that councils won't object to the extra 10%-15% houses. There would seem to be serious concerns about flooding and the lack of the existing sewer network to cope with additional housing. Bearing in mind the total number of houses will now be 205, it is not acceptable that the only concession for active travel from the site is a shared use path from the west to Tye Lane and footpaths to connect onto Yapton Lane. The connections onto Yapton Lane should also be shared use to allow cyclists access to the east of the site.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
