Hi Kathryn,

Hope your well, I had a look last night and we would be looking I leave 7ms in on the main limbs of the tree, I spoke to my Tree Surgeon and he said it's really just a case 25%-30% reduction to tidy the tree up as it's not been maintained at all in its time. Also is there any way I can clarify that the Oak is my responsibility as it's on my 50%on my fence line 50% on the verge of the Lane.

Many thanks  
Jamie Corbett
