

STATUTORY DECLARATION

I, DEREK PAGE, DO SOLEMNLY AND SINCERELY DECLARE as follows:

1. That my full name is Derek Arthur Page and I live at Lazy W, Yapton Lane, Walberton, West Sussex, BN18 0AS, a property we acquired through our company in April 2000 and few months after I had purchased the field to the rear.
2. Firstly, I can confirm that I have read my son's Statutory Declaration concerning the operation of his business, Little Acorn Firewood, and that the facts contained therein are truthful.
3. My wife, Michele Page, and I are leaders of Yapton Free Church.
4. I can confirm that due to the lack of facilities we decided in 2011 to erect a portacabin style modular building, comprising 3 parts in the eastern part of the field. The building is annotated with the letter 'A' on the plan attached at DP1. There is a poor-quality Google Earth aerial photograph dated 6 January 2012 which shows the building in situ and this is attached at DP2.
5. Since the siting of the building, it has been used for a variety of Christian related purposes including:
 - Ladies Christian Meetings. 2013
 - Heart Publication Paper Christian monthly meetings
 - Coastland Church Sunday meetings. 2015 -2018
 - Yapton Free Church Sunday Children meetings 2021
 - Ukraine Humanitarian Donation Collection Centre 2022
6. In addition, since 2000, shortly after our purchase of the field in late 1999, as edged in black on the plan at DP1, it has been used for a variety of regular Christian related events, including:
 - Travellers of the road Fellowship. 2003
 - Glory Road Ministries. 2004
 - Sussex Christian Outpouring 2008
 - Cosham Baptist children & youth summer camps. 2009 – 2018
 - Christian Outreach Centre Youth Meeting 2014
 - Coastlands Church Baptisms 2012
 - Community Drive in Movies 2020
 - Yapton Free Church Sunday Meetings 2021
7. I attach a Google Earth aerial photograph dated 6th August 2018 at DP3 and this shows one such event with 2no marquees along with a number of tents. This was one of the Cosham Baptist children & youth summer camps.
8. Also visible in this photograph immediately behind the property called Spindlewood are a number of lorry containers which have been used by the various Christian groups although today there is just one such container in that location and in use.
9. I also attach at DP4 a series of photographs which illustrate the types of events that we have held over the years on the field.

10. I can confirm that the field has been used for the holding of numerous Christian related events since 2000 and the building has been in the same position on the land since 2011/2 and been used for Christian meetings and associated events continuously since then.

AND make this Declaration SOLEMNLY AND SINCERELY
Believing the same to be true by
Virtue of the Statutory Declarations Act 1835.
