Subject: WA/59/22/CLE The Lazy W (use of land and siting of a porta building all in connection with activities associated with Yapton Free Church)

Dear Steve,

We are proposing to refuse this LDC based on it not being clear from the evidence as to the regular and continuous use of the portacabin and the surrounding land for church activities during the requisite time periods - and also insufficient evidence to justify the extent of the land as applied for. We do accept that the portacabin has been on site for at least 4 years and that there have been some use of the land. The report has been written and I intend to put it through for a decision however should you wish to withdraw instead then please let me know by the 13th July.

Your other application (WA/58/22/CLE) has been recommended for approval and is with my Team Leader for sign off.

Kind Regards

Simon J Davis MRTPI
