EH Comments:

I have reviewed the CEMP and I have no objections to the discharge of condition 5.

Regarding Condition 1, I have no objections to the partial discharge of Parts 1 and 2. However, as the layout has not yet been finalised, only a general remediation strategy has been set out in the report by Jeremy Head Environmental Consulting Ltd, reference JH2553, dated July 2026. Once the final site-specific remediation strategy has been submitted, Part 3 can be discharged.

Conditions Recommended:
