Attention of Ms Anita Gardner

Dear Ms Gardner,

With reference to the above planning application I would like to make the following objections/comments.

I have lived at number 2 Barnfield cottages, Arundel road, Fontwell for 43 years And the proposed site is just South and slightly West of the rear of my property. As a result I would be directly affected by this development.

I believe the design and construction of the proposed properties are out of keeping with the surrounding properties, being more akin to suburban designer homes.

The vertical glass columns would provoke light pollution which in turn would disturb Birdlife. The hawthorn hedge to the East of the site is a haven to nesting birds.

Within the next two years the developer Dandara will be building houses approximately 150 metres from our Southern boundary with their own style of building and the proposed build at Moorland will contradict this style.

I have other concerns regarding access to the site and provision of services.

Yours sincerely

Gemma MacDonald
