Hi There,

Please find attached all of the outstanding information required for the application. Also, I've attached an email from Simon Davis dated back January 2026 which confirms that the applicant is to receive a refund for £298.00 – can you confirm the reasoning behind the rise in application cost noted in the letter we received and if this is to be agreed, are you able to confirm the applicant is only required to pay the difference of £312.00?

Please note, the Flood Risk Assessment file is too large so a WeTransfer link has been provided for the information: [REDACTED]

I look forward to hearing from you in due course.

Kind Regards
