Dear Mr. Sullivan,

Re: Ashogle and Brookview Nursery, Eastergate Lane, Walberton BN18 0BA

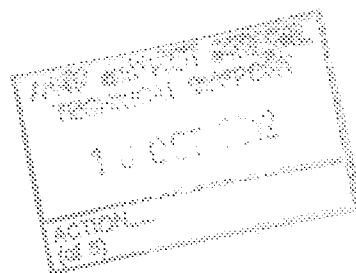

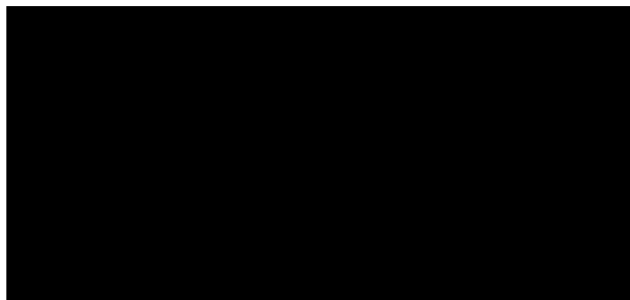

Thank you for your letter of the 21st September 2012 and meeting Mr. Sowden and myself on site on Tuesday 9th October 2012.

As agreed I am submitting an application for a lawful development certificate for an existing use, and accordingly enclose three copies of the application form together with supporting evidence, and here I have photocopied this in duplicate at this time but can provide further copies if you require them, together with the plan which we sent back when answering the Planning Contravention Notice form for ease of identification.

I am attaching a more detailed description of the works carried out and the supporting evidence. I have also two large boxes of invoices and various other correspondence in my office here which I can bring to you and your legal department if you wish, and on the invoices I have submitted I have blotted out the actual name of the recipients etc. so as not to infringe any data protection requirement, but again can provide the names and addresses in confidence to you if you wish.

This application deals with the aggregate section and the site and I will submit a separate planning application for a change of use for the storage of upholstery material in what was the old packing shed.

St. John's Street,
Chichester, PO19 1XQ

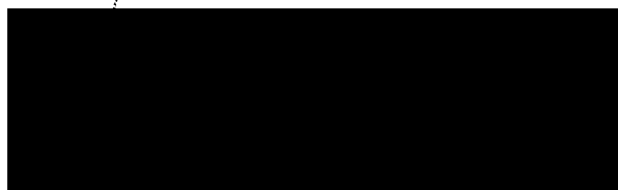

Please let me know if I can provide any further information.

Yours sincerely,
