Dear Mr Bowerman,

I acknowledge receipt of the revised plan. Unfortunately, this plan will require re-advertising so the application cannot be put onto the agenda for January Committee.

However I would like to get the application ready for February and would appreciate receipt of the following information in this respect. Please can you advise what equipment has been used/stored on site and how both H&D Aggregates and Brookview Nursery Landscape Contractors Limited businesses operate. What have been the maximum number of deliveries per week and customers day?

Yours sincerely
Anita Gardner

Dear Mr Bowerman,

I acknowledge receipt of the revised plan. Before I get it printed off and substituted I am questioning why the derelict former plant store with windbreak round is included within the site. Has this area been used as part of the aggregate business or does it relate solely to the landscaping use? If this is the case it should be deleted from the red edge too.

Regards

Anita Gardner
