Subject: Planning application WA/63/16/PL Fairmead Farm, Binsted Lane

Dear Mr Easton,

We are writing to object strongly to the above planning application. The big vehicles going up and down Binsted Lane would cause terrible problems to the people living here, and the many visitors who come to walk and cycle in the area. We live in The Glebe House at the beginning of the lane and we already have enough to deal with because of the many huge lorries which go in and out of Marsh Farm. The grass verge outside our house has shrunk by about 12 inches in the last couple of years, and is now up to our bottom step on our front gate. They shake our house when they go past. We do not know how that was allowed either. This a narrow country lane, you have to expect farm traffic but not these vehicles.

Sometimes we have to go right up onto the verges so they can go past, it is only a matter of time before there is a bad accident.

We look forward to hearing from you in due course.

Yours faithfully

Mr and Mrs J Harding
