Dear mr Easton,

My name is Angela Helen Crane I live at the old school laundry house,a Hedgers a Hill,off Yapton lane. I want to strongly object to the change of use of this land and planning application. Large vehicles would have to go past my house and already the lane has multiple farm and haulage vehicles from marsh farm. How can you expect a small country lane to take anymore large vehicles. We ride horses up this lane walk dogs. My grandchildren live down Binsted lane and use their bikes and walk dogs. There is no turning places or passing places how do you expect lorries to pass. It us already immensely busy. How can this even be considered.

Yours faithfully

A.crane. [REDACTED]
