Dear Mr Carver,

Following our conversation last week I would be grateful if you could please provide an update regarding this application and your preferred means of progressing.

However, given the current age of this application I must request that written confirmation is provided of your agreement to an extension of time until the **8<sup>th</sup> June 2017**. This will provide the additional time to consider as to

how you wish to progress with this application, given that the application proposes the change of use of the land to B1/B8 or Sui Generis.

Yours Sincerely,  
David Easton
