Dear Juan,

Trust you are well. I am writing to let you know that Elivia Homes (formerly Crayfern Homes) have now started work on the above development. Attached for your reference are some photographs taken yesterday depicting excavations in preparation for foundations. Should a representative from ADC wish to visit site to confirm implementation of the scheme, we would be pleased to show you round. As you will be aware from the file, all pre-commencement conditions relating to the permission were discharged some time ago.

If possible I would be grateful if this email could be added to the case file as a record of our having implemented the permission.

Kind regards.
Ian
