Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 23rd July 2021 which has been recorded as an objection with the comments as follows:

OWPC38727

Linden homes knew of the possibility of the A27 rerouting location before they planned the Avisford Grange estate. They were refused access to Tye Lane then. They should not require it now for the same reason it was refused originally.

Highways England can promise access to Yapon Lane at the original point or other alternative access points. Tye Lane is too narrow winding road with limited visual sight line. It is not suitable or safe for this extra traffic. All East bound traffic will have to pass through Walberton village, which already has problems. It does appear that there will be no access from Tye Lane, north onto the A27.

If the ridiculous choice of the grey route for the A27 is hopefully rejected there will be no need for alternative access.

Your views as made above will be considered before the application is determined.
