Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 23rd July 2021 which has been recorded as an objection with the comments as follows:

OWPC38737

This proposal is dependent upon Highways England building the A27 grey route and if it does this, Tye Lane will be blocked north of the proposed exit. Vesty Homes have planning permission for 200 dwelling, each with at least 1 car. this will result in a minimum of 400 traffic movements each day. The cars will have to move along the Street Walberton, or along West Walberton Lane or Barnham Lane. These are all narrow winding and, at times in the Street, very congested already. This situation has arisen because Highways England did not survey its chosen route. It is their problem; they should sort it out with Vesty Developments.

Your views as made above will be considered before the application is determined.
