Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 23rd July 2021 which has been recorded as an objection with the comments as follows:

OWPC38748

This proposed access/road will cause devastating effects on the local village of Walberton with traffic already mounting due to local development. It will turn the 'single' lane road through the village into a bottleneck traffic jam right outside the school in the middle of 'The Street'. This will put young children and families at risk and this is totally unnecessary and will create an unacceptable level of traffic. There must be alternative which won't take the traffic right through the middle of the village and create health and safety risks, noise and constant traffic. Sarah Lower (Walberton resident)
