Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 26th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38821

Tye Lane is too narrow for two way traffic.
The traffic from the development will use The Street, West Walberton Lane, Eastergate Lane and Wandleys Lane which already has increased traffic from existing new developments and will be even worse when the Dandara Fontwell Meadows is up and running. All these small lanes are not built for heavy two way traffic. The wildlife is already suffering and so are the residents that live in those lanes. Enough is enough.
The route of the A27 has not yet been decided so this application is premature.

Your views as made above will be considered before the application is determined.
