Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 26th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38822

The developer has leafleted presumably the whole village. My views are unchanged. This access is not safe. It is dangerous enough in Tye Lane if you meet another car - the road is deceptively narrow. Tye Lane just cannot take this traffic. Plus, if the grey route goes ahead the junction of Tye Lane and the A27 is due to be closed off and so all the traffic from this development will be passed into The Street in a conservation area. The Street is narrow and cannot take this traffic. The developer would have known about the proposed A27 bypass route. They decided to build and we, the residents, shouldn't have to put up with this scheme which will cause traffic chaos in the village, but more importantly will be unsafe.

Your views as made above will be considered before the application is determined.
