Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 26th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38835

This proposed application to allow a vast amount of traffic via a new access onto and off Tye Lane is going to create more vehicles going through the Village and surrounding narrow lanes which have no footpaths. This will be even more dangerous for Pedestrians, Cyclists, Horses etc with Lorries fast moving cars traveling to and from the main A27 Highway. What with the ridiculous proposed Grey Route (who on earth dreamt up this Nightmare of a difficult way to bypass Arundel!!)

Highways England, WSCC, ADC will be blamed for making some serious ill thought decisions if these proposals are permitted.

Please listen to the residents of the Walberton, Binsted, and Fontwell as it affects all of us and future generations of our beautiful Village

Many thanks

Bill
