Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 27th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38847

The writer objects to the proposal of accessing the site via Tye Lane - Varying proposals for an A27 Arundel Bypass should not bear pressure to approve a scheme that is clearly an unsatisfactory alternative to what was granted before. Planning permission for 'Avisford Grange' was approved on the basis of there being clear WSCC-compliant access from Yapton Lane & indeed it is only this scheme that should remain so. It is further understood past applications to include 'Tye Lane' access (i.e land West of) were refused by ADC because access was deemed inappropriate so why change that stance now.

Your views as made above will be considered before the application is determined.
