Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 27th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38854

Tye lane is simply too narrow for two way CAR traffic at various points. Anything wider would make it impossible.

Traffic on the street Walberton is at times dangerous due to the nature of the road and the bends and pinch points. The bend outside the Holly tree and further down towards the parade of shops in particular. There is a school access on this bend and at times, it locks up both ways!

Any additional traffic would simply grind to a halt which wouldn't get anybody anywhere. This needs to be rethought, the current roads simply cannot cope with the expected level of traffic, they're just about coping as they are.

Your views as made above will be considered before the application is determined.
