Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 27th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38859

I object due to the potential for this access to provide increase traffic flow through the centre of Walberton. Given the final route of the A27 is not confirmed this application is premature. Highways England have assured continued access to Avisford Grange. Tye Lane access has been refused by ADC to other sites in the past. Tye Lane is narrow and not safe for two way traffic of increased volumes. The traffic data is flawed as it assumes no closure of Tye Lane by the Grey route (still not confirmed) As a result of this application being granted the flow of traffic through the conservation area of Walberton will be vastly increased and detrimental to the village as well as reduce safety especially around the school.

Your views as made above will be considered before the application is determined.
