Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 27th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38862

Tye Lane is a narrow minor road this application will funnel all the traffic from this development into this road. Also this traffic will ultimately funnelled into The Street in Walberton greatly increasing already large traffic movements through the residential area. Tye Lane itself is barely wide enough for two ordinary width cars to pass one another. Larger vehicles means that one vehicle has to pull off the road in order that they can pass one another. The road is totally unsuitable for large traffic movements.

Your views as made above will be considered before the application is determined.
