Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 28th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38874

Tye lane is too narrow, for the 2-way traffic it will receive.

The remaining village roads (The Street, etc.) are already overloaded, there have been particular problems with 'rat running' during the recent nighttime closures of the A27. These night time volumes will not match the volumes imposed but the development and the increased volume will be delivered onto these overloaded, pothole ridden roads at peak times. The mind boggles really!

Please carefully consider: the volumes of traffic at school drop off and pick up, the additional cars the development will add to the same road at the same time, and the dangers that increased congestion poses to the children crossing the road and accessing vehicles at that time.

Your views as made above will be considered before the application is determined.
