Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 28th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38905

Should Tye Lane be closed from the North, all traffic from the Avisford Grange site will have to access/excit onto The Street thereby increasing the volume of traffic to a dangerous level. The Street and all roads out of the village have an HGV weight restriction level. Tye Lane is too narrow to enable construction and domestic vehicles to pass safely. Peter Mumford of HE to Dr James Walsh of ADC on 3.12.20 reassured ADC that access to the site would be maintained; surely this makes the application unnecessary. Finally, the fact that the Grey Route is still under consideration indicates that the application is premature.

Your views as made above will be considered before the application is determined.
