Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 1st August 2021 which has been recorded as an objection with the comments as follows:

OWPC39092

I object to the application by Avisford Grange to change access to the estate from Yapton Lane to Tye Lane as it will greatly increase the volume of traffic through the village of Walberton, including West Walberton Lane, Arundel Road, Eastergate Lane and the village of Fontwell. Tye Lane is very narrow and the increase in traffic volume would make two way traffic unsafe. Access for other sites in Tye Lane have previously been refused by ADC. All of this is assuming that the Grey Route for the A27 goes ahead and as yet this has not been decided, therefore this application is premature.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.
