Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 2nd August 2021 which has been recorded as an objection with the comments as follows:

OWPC39095

Application for this additional access to Avisford Grange is completely premature as proposed A27 grey route has not reached planning stage and Highways England claim to have offered alternative access. The proposed access on Tye Lane is situated on a blind bend and dangerous. If grey route were to succeed Tye Lane would be closed off and all traffic exiting and entering Avisford Grange would be forced through Walberton and/or Barnham villages thus exacerbating current heavy traffic and further blight local village life.

Your views as made above will be considered before the application is determined.
