Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 2nd August 2021 which has been recorded as an objection with the comments as follows:

OWPC39116

I wish to register my objection to this application for the following reasons
I understand that Highways England have guaranteed continued access to the site from Yapton Lane which negs the question for the need to make this application
Previous applications for access via Tye Lane have historically been refused
Tye Lane currently is totally unsuitable to accommodate the additional increased traffic flow that 175 properties would add to the current level of vehicle movements.
Tye Lane currently does not have a slip road to access onto the A27 which should the application be successful may create more traffic collisions at the junction with the A27 due to the increase in drivers becoming impatient when trying to join the A27
It would also create a severe increase in traffic in and around the village of Walberton & Fontwell

Your views as made above will be considered before the application is determined.
