Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 3rd August 2021 which has been recorded as an objection with the comments as follows:

OWPC39125

Tye Lane is too narrow for safe two-way traffic.

From Tye Lane, the huge volume of traffic from 175 homes will head along The Street, West Walberton Lane, and Eastergate Lane. These roads are also narrow. West Walberton Lane is on the cycle route and also has horse riders. Children walk to and from school. Many drivers do not stick to the speed limit. Highways England has refused 20mph limits. The Street is congested with cars at School pickup and drop off, and fast moving extra traffic will be dangerous.

Walberton is suffering from over-development, and the above application will ruin this peaceful village even more.

Your views as made above will be considered before the application is determined.
