Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: WA/63/21/PL  
Site Address: Land East of Tye Lane Walberton BN18 0LU  
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 3rd August 2021 which has been recorded as an objection with the comments as follows:

OWPC39138

I have recently listed my objections, only to find I am having to do it again, because the planning application was withdrawn. My previous objections, and everyone else's previous objections should be included

This application flies against all previous planning consents, We as a community objected to it when it was raised again

The Tye lane cannot take any more traffic, it is a narrow country lane, and to add up to 300 traffic movements a day, would create serious problems of noise, pollution and traffic congestion. If the top of Tye Lane is closed, then these cars would have to exit in to the Street

The junction into the Street will be even more dangerous to mothers and children crossing the road at that point

Other applications to enter into Tye lane have been turned down for similar reasons

The developers should have been aware of the risk that they were taking, and it is not down to us to bale them out

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to [planning@arun.gov.uk](mailto:planning@arun.gov.uk) and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

**Neil Crowther**
