Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 3rd August 2021 which has been recorded as an objection with the comments as follows:

OWPC39154

I moved to Walberton 2 years ago for the village atmosphere and if this entrance happens to this housing estate there will be so many cars driving through the village. It will make the roads more congested and more unsafe for the younger and older residents. Everyone will be speeding up Tye lane and through the village, if they agree to the grey route all the cars will be cutting up west walberton lane right near my road, it's deadly enough trying to get on it anyway let alone when more cars need to use it. You should stick to where the current entrance is in Yapton Lane.

Your views as made above will be considered before the application is determined.
