Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 4th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39169

I live in the centre of Walberton village and object most strongly to this proposal. This road is too narrow and "bendy" and cannot cope with existing traffic levels never mind an additional load from 175 homes. Clearly the developers are in a difficult position as a result of the suggested (but not yet approved) Grey Route but their remedy is surely a case of any port in a storm. The Lane and The Street are already used as 'rat runs', the speed and weight limitations are frequently ignored and the unsuitability of this narrow country lane for more heavy traffic is plain to see. Any more traffic would seriously increase the dangerous state in and around the village.

Your views as made above will be considered before the application is determined.
