Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 4th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39173

Dear Sir/ Madam,

I wish to put a strong objection forward in respect of the proposal to allow an entrance to this development off of Tye Lane for the following reasons:-

1. The Lane is too narrow for a sustained flow of two way traffic which will include heavy lorries and other delivery vehicles entering the site.
2. The traffic data is drastically incorrect and an independent survey should be undertaken.
3. There would be an unacceptable increase in traffic using the Street and surrounding narrow roads increasing risk to other road users and pedestrians. Especially if the Grey Route goes ahead and Tye Lane is closed to access the A27. 175 Homes will potentially produce at least 250 or more vehicles all having to use the Street as access to other routes.

The solution is for the existing site entrance to be used until the final decision is made for the exact line of the Grey Route. It is only at this time that the use of Tye Lane as an access to the site should be considered.

Your views as made above will be considered before the application is determined.
