Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 4th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39191

Tye lane is more like a toy road, it is not wide enough for vehicles to pass each other. It is too narrow for safe traffic, which would be increased if the new development has easy access to it. Yapton Lane is much more appropriate and they already have access to it. Many new developments have long roads with only one access route. E.g navigation drive in Yapton. This system works well there.

Even if the new a27 route goes ahead, Yapton lane will still be just fine for the people living in the new development.

Your views as made above will be considered before the application is determined.
