Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 4th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39210

When the potential planning consent for the development of Tupperts Field was under review, it was deemed that Tye Lane was totally unsuitable for entry/exit to the site. Why is this now under consideration, especially as no final decision regarding the A27 grey route has been made. If this access is granted permission, and the proposed A27 grey route goes ahead then the Tye Lane access to A27 is due to be permanently closed which will mean the increase in traffic through The Street will be higher. There is no permitted HGV access through any roads in or out of the village, other than West Walberton Lane which is narrower than Tye Lane. The suggested application has no grounds, especially as Highways England has said that it will maintain access to Avisford Grange during construction and operation of the scheme.

Your views as made above will be considered before the application is determined.
