Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 4th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39211

Tye Lane is a narrow country lane which is not suitable for large volumes of traffic OR large lorries/construction vehicles.

Presently, there are the occasional coaches that travel down from the A27 which take up the whole road and make passing impossible. Access to Tye Lane has already been refused by ADC for other sites, so WHY should this one be any different. The final route for the A27 is still not known so the application for Tye Lane access is premature. Traffic from 175 new homes from this development would use The Street, West Walberton Lane, Arundel Rd, Eastergate Lane and cause huge congestion, especially through Walberton village and during school rush hours. Dangerous volumes of traffic for school children and old people alike.

Your views as made above will be considered before the application is determined.
