Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 5th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39220

Application reference WA/63/21/PL

We object strongly to the application for access from this large (175 House) estate onto Tye Lane Walberton a very narrow twisting country road. Further, if permission for this proposed new access were to be granted it would be in place before the proposed Grey Route of Arundel bypass was (if ever) started. If this was the case then serious and hazardous traffic conditions would exist in Tye Lane at the junctions with the A27 and with the Street Walberton. There are already difficulties for vehicles trying to join the high speed westbound traffic at the Tye Lane A27 junction.

We would also question if one of the original conditions giving planning permission for the building of the Avisford Grange was that sole access was to be with the Yapton road. We see no reason why that condition should be changed and therefore this Application to the ADC should be rejected.

Your views as made above will be considered before the application is determined.
