Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 5th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39244

This application is premature given that Highways England have yet to finalise plans for the proposed A27 Arundel Bypass. As an affected landowner I have been advised that those plans will be published later this year for consultation ahead of a public enquiry into the A27 scheme. If this application is successful before even the plans for the A27 scheme have been finalised let alone the outcome of the public enquiry, I do not believe there would be a guarantee that the work proposed in this application would not go ahead if the current access is unaffected by the A27 scheme. Also, at present the only proposals seen for the A27 scheme will sever Tye Lane to the North of this new access meaning the only access and egress will be South on Tye Lane via the junction with The Street so the traffic modelling showing movements North to the A27 is irrelevant.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the

decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
