Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/63/21/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Proposed alternative vehicular accesses off Tye Lane and emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES (resubmission following WA/93/20/PL). This site is CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 5th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39266

I support the objection made by Walberton Parish Council. This application should wait until Highways England's (HE) Arundel bypass revised plan is published during its consultation phase. If the design blocks the current access then alternative access should be sought by via the HE properties they have acquired on Yapton lane.

If alternative access is required during the construction phase of the A27 then such access via Tye Lane should be temporary, reverting to Yapton Lane as soon as feasible.

The implications for traffic in Walberton and on Tye Lane are considerable and any temporary solution needs careful consideration.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>
