Attachments: 201211061447.pdf

Hi Ian,

Please find attached a planning application I have just checked. It is for works to a tree in a conservation area, the applicant has stated that the tree is dead, did you want to take a look? I have held the application because they haven't stated the species, thought I would email you a copy to save time if you did want to override the application process and allow them to remove the tree.

Kind Regards

Charlie
