To Whom It May Concern:

With reference to the two trees located on the main entrance to the property, it is my intention to prune back both of them. I understand that the beech tree has a tree preservation order and I will be making an application to carry out the works to that tree in the near future. After taking expert advice from an experienced tree surgeon, John Haze, it has been recommended that significant pruning of the Monterey pine should be carried out as it overhangs the road and various telephone cables. I intend to do the works to this tree later in the year.

Please can you kindly provide me with the necessary tree preservation order application forms so that I may apply for these works to be carried out.

Should you need to contact me my home number is [REDACTED]

Yours sincerely,

[REDACTED]

Jeanette Busk
