Dear Don,

I have consulted County on the above application. I received comments from Highways relating to travel plan details, but was hoping for a response from yourself in relation to compliance with condition 7. Is it possible to have your comments on the proposed bat/owl habitat provision within the next 7 days?

Thanks

Anita

Dear Mr Robson,

I have spoken to Mrs Gardner and there appears to be an issue with us receiving the email from you regarding Conditions 5 and 7.

Are you able to resend the email in reply to this email to see if that makes a difference.

Many Thanks

Charlotte
