Dear Mr Easton, Thank you for the additional information.

- It would seem that the proposal will not add any additional HGV or employee trips onto Lake Lane. In fact it would seem that the proposal will eventually stop the trips currently undertaken from October to January from the adjacent site as one purpose of the proposed facility is to bring the bulb storage back on site thereby removing the need for this.

As such WSCC are satisfied with the proposals as they stand.

Kind regards
Alison
