Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 18th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30495

This development is outside of the local development plan and I think the local services are under enough pressure without adding to them with this project. If the A27 approved route is built any development in this area will be blighted by road building work, reduction in amenity and access, traffic noise and pollution needs to be taken into account. Also regarding horse riding on Tye lane. There are horses kept on the fields to the west of Tye Lane.

Your views as made above will be considered before the application is determined.
