Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 4th November 2020 which has been recorded as an objection with the comments as follows:

OWPC30998

This proposal will increase to an unacceptable level the amount of traffic using the village of Walberton. If the proposal goes ahead there will be huge disruption to the village while the building takes place. This will be a considerable nuisance to residents, especially in conjunction with the building of the Grey Arundel bypass, if that proceeds also. 155 houses will presumably house a reasonable number of children...where will they go to school? And where will the new residents get to see a GP and a dentist? Developers seem determined to ruin Walberton and it should not be permitted by the Council. The area is in danger of being overrun.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Yours sincerely
