Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT

Site Address: Land west of Tye Lane Walberton

Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 6th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31041

Existing infrastructure is already overdressed. It will not support the additional traffic this development will bring to the area. During construction, please consider the impact of HGV's through Walberton village - simply put it's dangerous. If nothing else consider the existing pinch point outside the Holly Tree Pub and the school's proximity to it - now imagine high HGV traffic negotiating that at school drop and collection from the adjacent primary school. Seems reckless given a primary school child's appreciation of road safety?!?!

Once you've considered that think about where all the cars will go once the development is finished and occupied.

Then perhaps muse on the fact the site is not in the Walberton Neighbourhood plan.
Food for thought!!

Your views as made above will be considered before the application is determined.
