Dear Sir/Madam,

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 8th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31074

Destruction of ancient woodland and d vision of villages
Noise and fuel pollution. Why necessary to have new dual carriageway from Arundel to Fontwell when the bottleneck is at Arundel the cost is unsustainable. Too many people will be compromised and the traffic is already unsustainable on these narrow lanes. The new estate in Walberton will be devastated by this new road cutting straight through Walberton and Avisford Park. The levels of traffic are already far too high.

Your views as made above will be considered before the application is determined.
