Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 9th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31104

I object most strongly to this proposal. One serious concern is access to the proposed site from Tye Lane, a narrow country land barely wide enough for two vehicles to safely pass in places. The development to the East of Tye Lane, ref WA/95/18/RES was denied access to Tye Lane, how can this application now be considered?

The village and immediate areas have been overwhelmed with planning applications, a large number of which have been granted, far in excess of ADC initial development requirements.

The current infrastructure cannot cope with an additional 155 houses in the village, doctors surgeries, schools are full.

I also object to the information provided in the reports supporting the application, having lived in Tye Lane for many years, I can assure ADC that some of the main points made are inaccurate and should be considered invalid.

I agree with the points made by Walberton Parish Council in their statement of objection.

Your views as made above will be considered before the application is determined.
