Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 10th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31164

I am extremely concerned that the cumulative effect of the strategic site of 400 dwellings at Fontwell, 175 homes at Avisford Grange (land east of Tye Lane) and its new Neighbourhood Plan sites together with the huge Barnham-Eastergate-Westergate and other nearby schemes will place a massive pressure on school places, GP and Dental waiting lists and other basic amenities that cannot physically be met. It has been said for years that Walberton will become increasingly liable to flood and each and every development increases this risk.

Walberton is already being systematically destroyed by all these developments and traffic levels will become intolerable and in my opinion, dangerous. We need traffic calming measures, with or without this latest plan.

Enough is enough!

Your views as made above will be considered before the application is determined.
