Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT

Site Address: Land west of Tye Lane Walberton

Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 10th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31167

I object to this application on multiple grounds including the following:

1. The site is unsuitable and contravenes Arun Local Plan policies and the Walberton Neighbourhood Plan.
 - It is not included within the current made Neighbourhood Plan, nor the updated version currently in progress. In fact, the site was rejected by over 90% of parishioners responding to the NP consultation.
 - It is a green field site outside the Walberton built-up area boundaries (contravenes ADC Policy SD PS2).
 - It is on grade 3a agricultural land which should be protected (ADC Policy SO DM1).
2. The scheme is not necessary to meet local housing needs.
 - Currently 175 dwellings are under construction in the centre of the parish (Avisford Grange), with an additional 400 granted permission at Fontwell, not to mention the sites delivered by the original Neighbourhood Plan (54 dwellings) and the revised NP (62 dwellings). Compare this to the existing 875 dwellings - an increase of nearly 80% over a very short time frame.
 - The housing density in the proposed scheme contravenes Walberton's N P Policy HP11 and way exceeds that suggested in HEELA.
 - The proposed development does not satisfy the criteria of ADC Policy H SP3 concerning rural housing and except on sites (e.g. in respect of local housing need, appropriateness of scale/form/character to the local

settlement).

3. If the application is successful it will generate an intolerable increase in traffic within the parish, both during construction and after completion.

- The realignment of the A27 (Arundel Bypass) along the Grey route preferred by Highways England would result in the closure of Tye Lane at its junction with the A27 meaning that all traffic to and from the site would have to travel through the heart of the village, with the most direct westerly route going up narrow, pot-holed West Walberton Lane (which is also the official cycle route to Fontwell).
- The residents of the proposed 155 dwellings will be reliant on their cars for nearly all travel as the local bus service is extremely limited.
- Walberton NP opposes proposals that increase the level of traffic (Policy GA5).

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website www.arun.gov.uk/planning-privacy-statements

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
